for powerful & prolonged relief

NIMOBRIS-P

Nimesulide 100mg + Paracetamol 325mg

Tablets

- It is a medicine that is used for the treatment of Fever, Headache, Toothache, Ear Pain, Joint Pain, Periods Pain and other conditions.
- Contains Nimesulide and Paracetamol as active ingredients.
- It works by increasing the pain threshold and increases the blood flow across the skin, heat loss and sweating; blocking the production of prostaglandins thereby relieving pain and inflammation.
